POLICY REGARDING AGGRESSIVE DOGS

The Club’s Training Instructors have had many years in dog obedience training and have the requisite skills to address most dog behaviors. However, our instructors do not have specialized training to address aggression in dogs. The Club therefore has the following policy which we ask you to please read carefully. GVDOTC Instructors will watch for aggressive dogs during classes. Any dog exhibiting aggression in the form of attacking or biting another dog or person, or a dog that is considered to pose a threat to other dogs or people, may be required to leave the class at the instructor’s option. Instructors will bring all aggressive tendencies to the attention of the Training Chair, who may, after observation, require that dog to cease training with GVDOTC. The Training Chair will provide the handler with a clear explanation for this action, including the detrimental effect on other dogs in the class, risk of injury to dogs or people and possible liability for our Club. Upon request, a listing of trainers that specialize in your dog’s behavior may be given. A reimbursement of class fees may also be offered depending upon the circumstances.

I ACKNOWLEDGE THAT I HAVE READ, UNDERSTAND, AND AGREE TO COMPLY WITH THE ABOVE GVDOTC POLICIES
